(b) what is the quantity of wheat already exported alongwith its price and the country to which it was exported;

(c) whether a proposal or sale of wheat to Democratic people's Republic of Korea has been received and whether a private company has been authorised to negotiate in this behalf;

(d) if so, what is the net selling price and whether a commission would be payable to the private company on realisation of export proceeds from the buyers; and

(e) what is the commission in US dollars PMT payable to the company and what are the reasons for paying commision if it is authorised only to negotiate?

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE (SHRI P. R. DAS MUNSHI): (a) STC and MMTC have been permitted to export wheat at international price within a limited ceiling during 1987-88. The foreign exchange realised would facilitate import of edible oil.

(b) 5716 tonnes of wheat has been exported so far to Nepal and 15650 tonnes to DPR Korea during 1987-88 at contracted prices.

(c) A contract has been signed with M/s. Korea Cereals Export and Import Corporation for export of 1,00,000 tonnes of wheat for shipment during 1987-88.

(d) and (e) The price has been negotiated taking into account the prevaliing international prices and other factors including cost of servicing the order. The commission is for securing the business at an attractive price and for co-ordinating the smooth implementation of contract.
